# Warehousing Locations

# Southeast: TDI + REO = A Total Solution

Total Distribution, Inc.

## The Carolinas

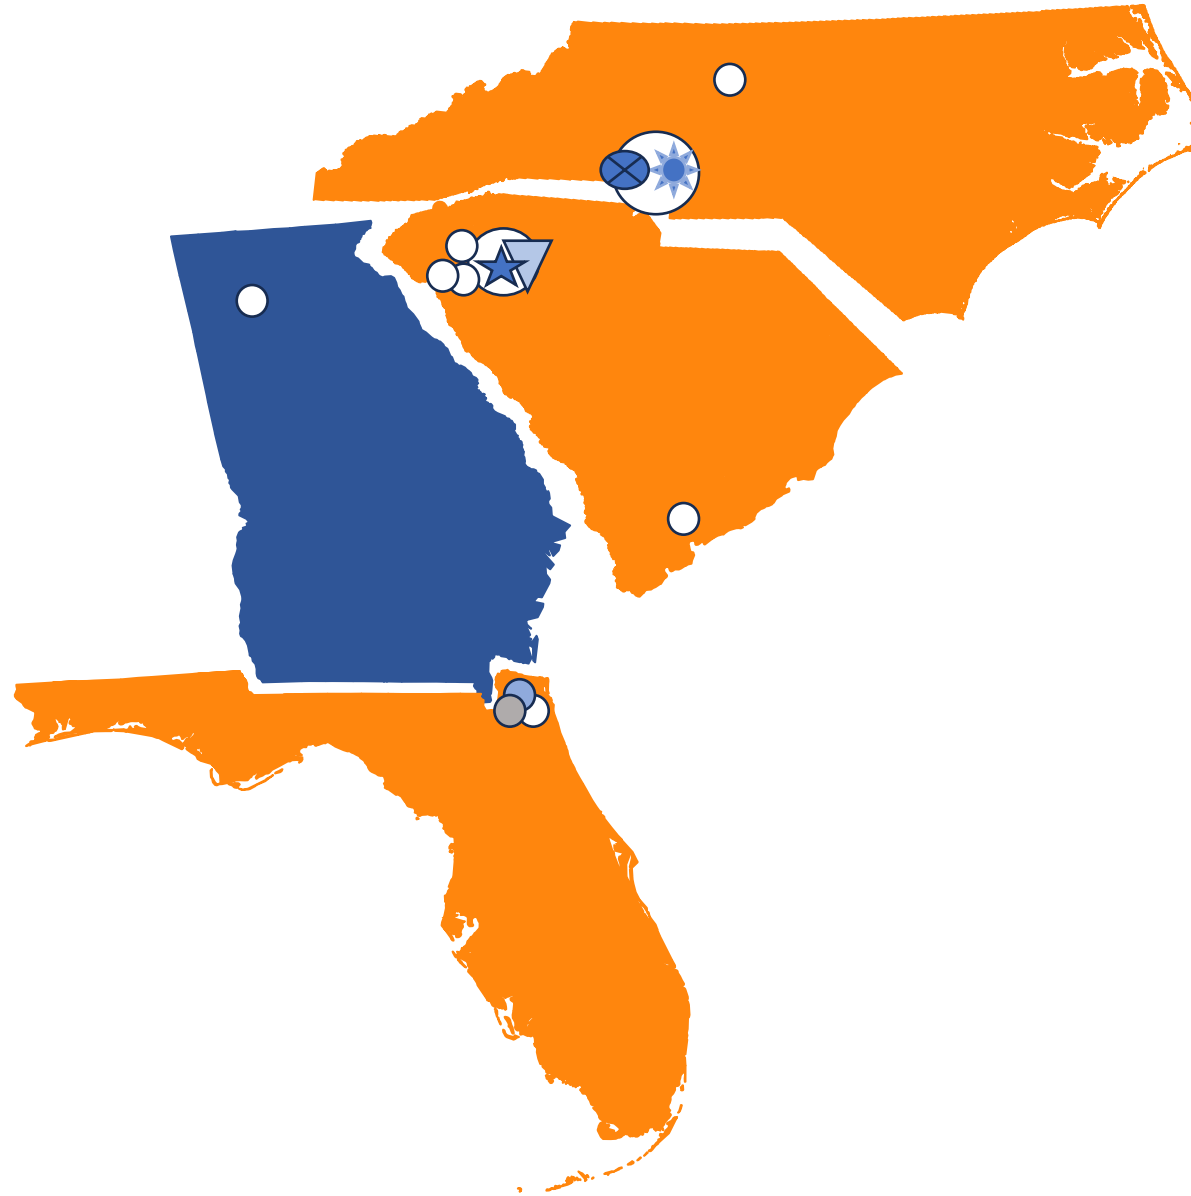

- Foreign-Trade Zone 
- Rail access via CSX 
- Temp controlled space 
- Proximity to Inland port 
- 7 Locations 

## Georgia

- Pool and Spa
- Packaging: >1 lb., 5-25 lbs., 25-55 lbs. and FIBC
- Cone blender

## Florida

- Pritchard Rd 
- Ellis Rd  
- Bulls Bay 
- Rail access via CSX
- Packaging & Assembly

# North and East: TDI + REO = A Total Solution

## Michigan

Hazmat, Flammables   
Rail via Huron & Eastern   
Transloading  
Temperature controlled  
Pick, pack, and fulfillment

## Ohio

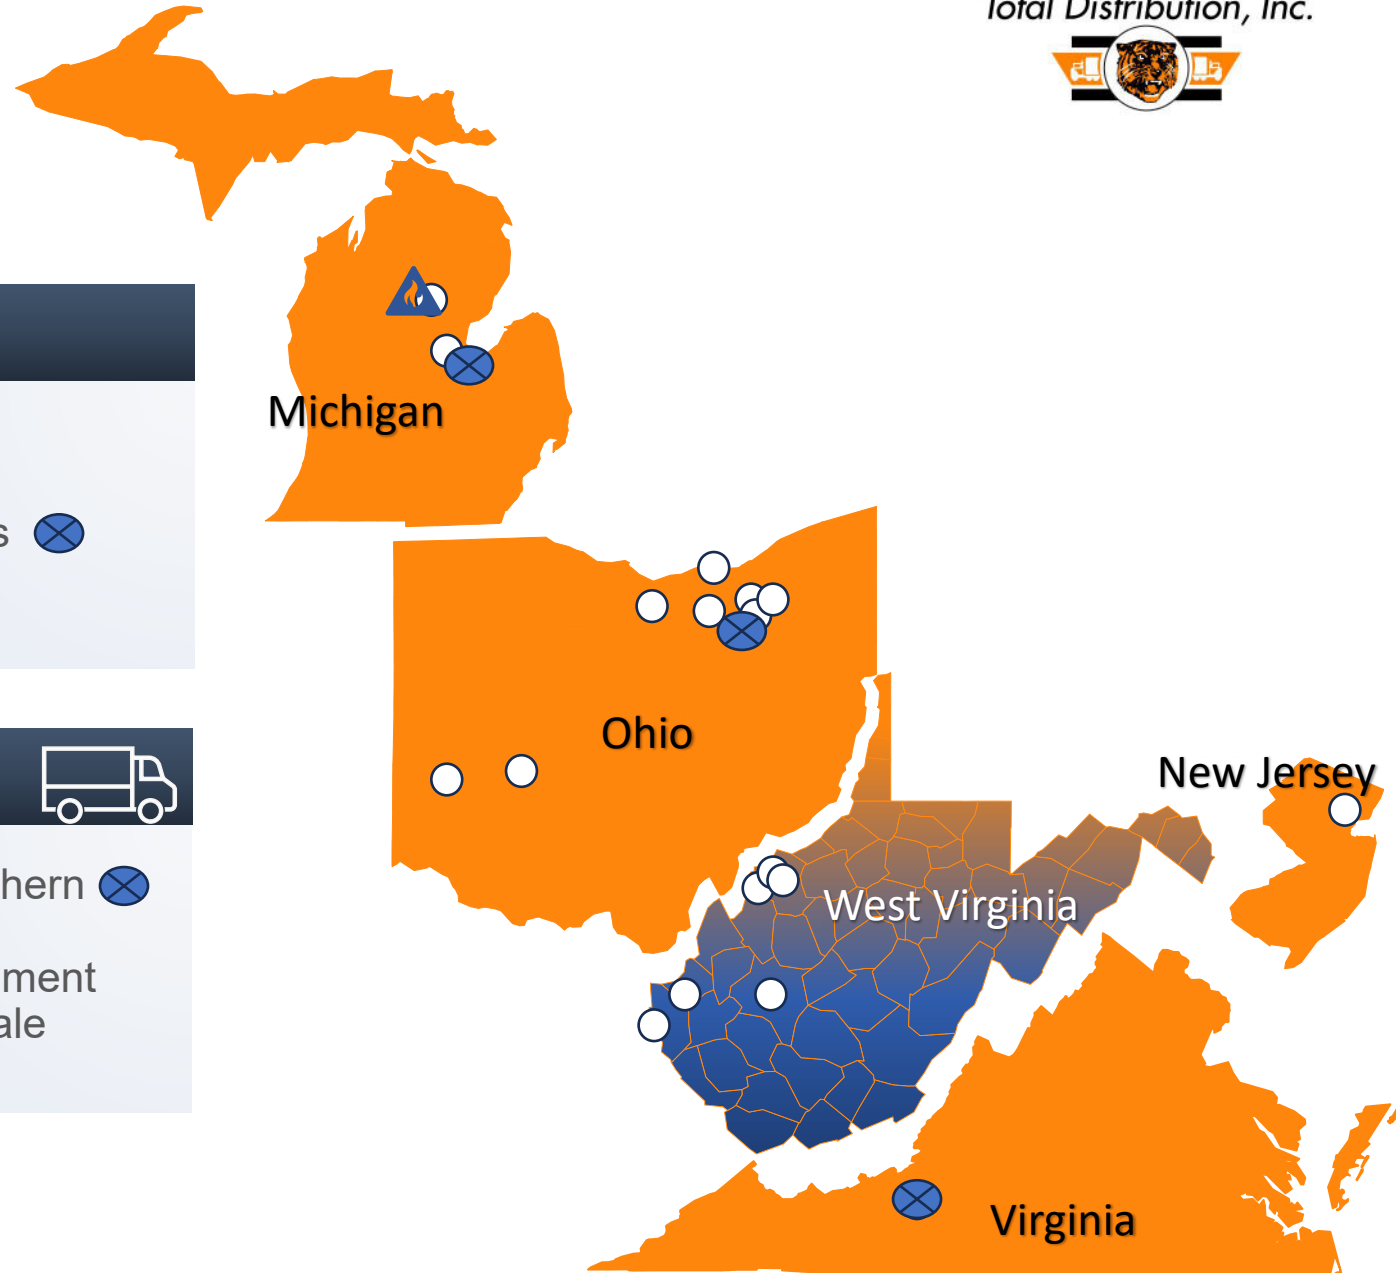

Headquarters  
30+ Locations  
Rail served locations   
Hazmat Certified  
Transloading

## New Jersey

  
Hazmat Certified  
Access to NJ Turnpike  
Proximity to Port  
DEA Registered  
Cool space

## Virginia

  
Rail via Norfolk Southern   
Dry Transloading  
Pick, pack, and fulfillment  
Cert. public truck scale

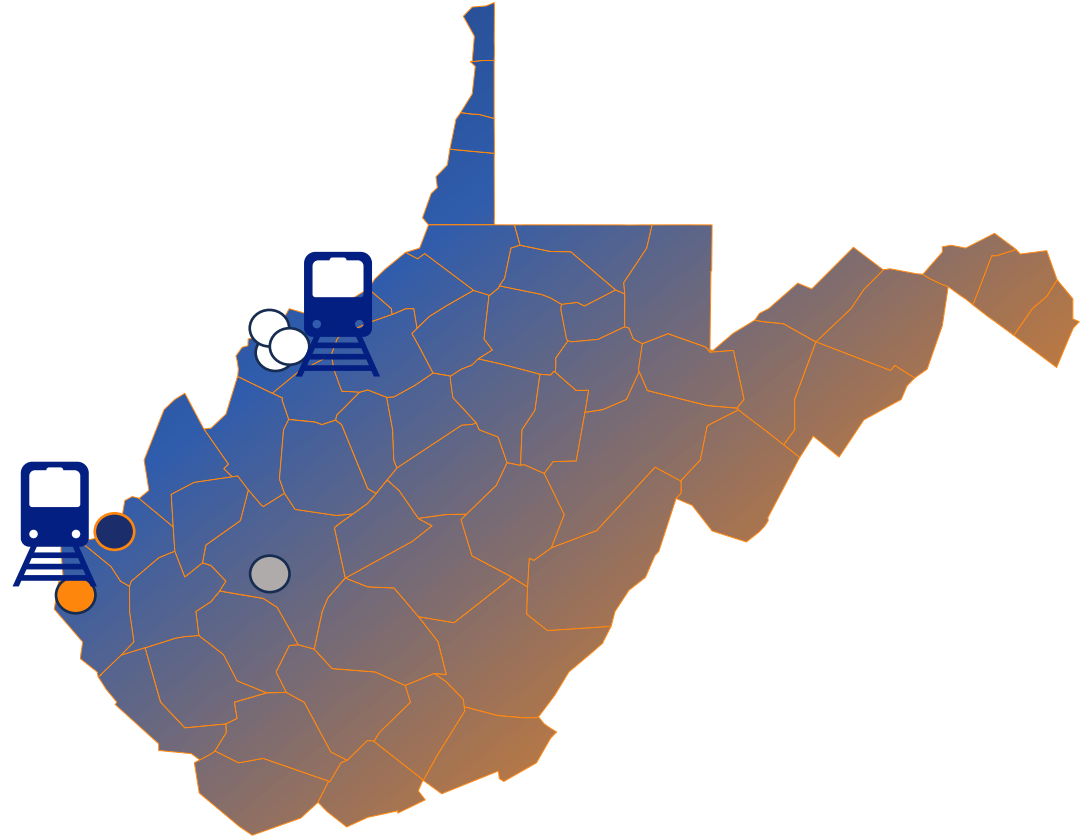

# West Virginia: TDI + REO = A Total Solution

## West Virginia

- Sorting ○ ●
- Form change ○
- +1M square feet of warehousing ○
- Drying & Purging ○
- Blending ○ ●
- Full suite of Trans-Loading ○ ● ● ●
- Packaging: ○
  - Powders, Pellets, Granulars
  - Liquid
  - Drums ● Buckets, Bottles
  - Bags ○ ● ●

Hazmat certified

Meet Mike, Senior Supply Chain Manager with GloboChem International. His QA Team notified him that a recent arrival of resins from an overseas supplier were contaminated. Being a key component in a high-demand coating, Mike knew if he did not act fast, production could come to a halt. A recent commitment to a long-term customer experiencing record sales was at risk. Mike called Total Distribution, Inc.

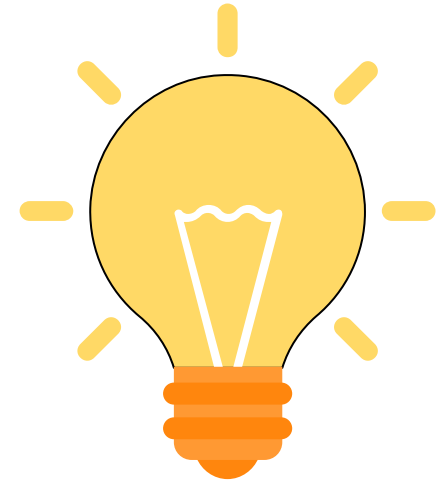

### PROBLEM

- A looming halt in production
- Customer at risk
- Supplier replacement would take weeks
- Increase in production meant increased need for space

### SOLUTION

- ✓ A 3PL with Toll Processing capabilities
- ✓ Strategically located warehouse space
- ✓ Transportation
- ✓ A Total Solution

*Going Beyond Logistics for A Better Solution*
